All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements, including, without limitation, those concerning strategy; the economic outlook for the industries in which AEEI and the Group operates or invests as well as markets generally; production; cash costs and other operating results; growth prospects and outlook for operations and/or investments, individually or in the aggregate; liquidity, capital resources and expenditure, statements in relation to the Unbundling, its implementation and the benefits of the Unbundling. These forward-looking statements are not based on historical facts, but rather reflect current expectations concerning future results and events and generally may be identified by the use of forward-looking words such as “believe”, “aim”, “expect”, “anticipate”, “intend”, “foresee”, “forecast”, “likely”, “should”, “planned”, “may”, “estimated”, “potential” or similar words and phrases. Examples of forward-looking statements include statements regarding a future financial position.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. AEEI cautions that forward-looking statements are not guarantees of future performance. Actual results, financial and operating conditions, returns and the developments within the industries and market in which AEEI and/or the AEEI Group operates and/or invests may differ materially from those made in, or suggested by, the forward-looking statements contained in this Circular.

All these forward-looking statements are based on estimates, predictions and assumptions, as regards AEEI and the AEEI Group, all of which estimates, predictions and assumptions, although AEEI believes them to be reasonable, are inherently uncertain and may not eventuate or eventuate in the manner AEEI expects. Factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied in those statements or assumptions include other matters not yet known to AEEI or not currently considered material by AEEI.

Shareholders should keep in mind that any forward-looking statement made in this Circular or elsewhere is applicable only at the date on which such forward-looking statement is made. New factors that could cause the business of AEEI not to develop as expected may emerge from time to time and it is not possible to predict all of them. Further, the extent to which any factor or combination of factors may cause actual results to differ materially from those contained in any forward-looking statement are not known. AEEI has no duty to, and does not intend to, update or revise the forward-looking statements contained in this Circular after the date of this Circular, except as may be required by law. Any forward-looking statement has not been reviewed nor reported on by AEEI's external auditor or any other expert.

### **1. GENERAL**

- 1.1 This Circular does not constitute or form part of any offer or invitation to purchase, subscribe for, sell or issue, or any solicitation of any offer to purchase, subscribe for, sell or issue, AYO Shares.
- 1.2 The release, publication or distribution of this Circular in jurisdictions other than South Africa and the US may be restricted by law. The distribution of AYO Shares to Foreign Shareholders in terms of the AYO Unbundling may be affected by the laws of the relevant Foreign Shareholders' jurisdiction. In this regard, Foreign Shareholders are referred to the further detail set out below.

### **2. APPLICABLE LAWS**

- 2.1 The AYO Unbundling is proposed solely in terms of this Circular and this Circular sets out the terms and conditions on which the AYO Unbundling is to be implemented.
- 2.2 The AYO Unbundling involves the securities of a South African registered company which is listed on the JSE and is governed by, and must be construed in accordance with, the laws of South Africa including its procedural laws and disclosure requirements.
- 2.3 This Circular has been prepared for purposes of complying with the applicable disclosure requirements of the Companies Act, the Companies Regulations and the Listings Requirements, and the information disclosed may not be the same as that which would have been disclosed had this Circular been prepared in accordance with the laws and regulations of any jurisdiction outside of South Africa.
- 2.4 Any AEEI Shareholder who is in doubt as to their position regarding the contents of this Circular, including, without limitation, their ability to receive the distribution of AYO Shares contemplated in this Circular, or their tax status, should consult an appropriate independent professional advisor in the relevant jurisdiction without delay.

### **3. SHAREHOLDER APPROVAL OF THE AYO UNBUNDLING**

The AYO Unbundling is deemed to constitute a Section 112 Disposal, and must be approved by a special resolution, in accordance with sections 112 and 115(2)(a) of the Companies Act, at the General Meeting, at which meeting, for quorum purposes, at least three AEEI Shareholders must be present, and such AEEI Shareholders present must be entitled to exercise, in aggregate, at least 25% of all the voting rights that are entitled to be exercised at the General Meeting. In terms of section 112 of the Companies Act, the Unbundling Resolution requires the approval of at least a 75% majority of Shareholders present or represented by proxy at the General Meeting and entitled to vote, as the AYO Unbundling is regarded as a Section 112 Disposal.

### **4. POTENTIAL COURT APPROVAL**

- 4.1 AEEI Shareholders are advised that, in accordance with section 115(3) of the Companies Act, AEEI may, in certain circumstances, not proceed to implement the AYO Unbundling without the approval of the court, despite the fact that the Unbundling Resolution set out in the Notice of General Meeting will have been duly adopted at the General Meeting.
- 4.2 In this regard, a copy of section 115 of the Companies Act, which details the circumstances under which court approval may be required for implementation of the AYO Unbundling, is set out in **Annexure 4** to this Circular.

### **5. DISSENTING SHAREHOLDERS' APPRAISAL RIGHTS**

- 5.1 In terms of section 164 of the Companies Act, AEEI Shareholders who are entitled to vote on the Unbundling Resolution are advised of their Appraisal Rights as follows:
  - 5.1.1 at any time before the Unbundling Resolution is to be voted on at the General Meeting, an AEEI Shareholder (who is entitled to vote at the General Meeting) may give AEEI written notice objecting to the Unbundling Resolution;

- 5.1.2 within 10 Business Days after AEEI has adopted the Unbundling Resolution, AEEI must send a notice confirming that the Unbundling Resolution has been adopted, to each relevant AEEI Shareholder who gave AEEI written notice of objection and has neither withdrawn that notice nor voted in favour of the Unbundling Resolution; and
- 5.1.3 an AEEI Shareholder who has given AEEI written notice in terms of section 164 of the Companies Act objecting to the Unbundling Resolution and has complied with all of the procedural requirements set out in section 164 of the Companies Act may, if the Unbundling Resolution has been adopted, demand in writing that:
  - 5.1.3.1 within 20 Business Days after receipt of the notice referred to above; or
  - 5.1.3.2 if the AEEI Shareholder does not receive the notice from AEEI referred to above, within 20 Business Days after learning that the Unbundling Resolution has been adopted,

AEEI pay the Shareholder fair value (in terms of and subject to the requirements set out in section 164 of the Companies Act) for all the AYO Shares held by that AEEI Shareholder.
- 5.2 A copy of section 164 of the Companies Act pertaining to the Appraisal Rights of a Dissenting Shareholder is set out in **Annexure 4** to this Circular.
- 5.3 Before exercising their Appraisal Rights under section 164 of the Companies Act, in relation to the AYO Unbundling, all AEEI Shareholders should have regard to:
  - 5.3.1 section 164(9) of the Companies Act in terms of which upon sending the demand contemplated above and thus exercising their Appraisal Rights, a Dissenting Shareholder shall have no further rights in respect of their AYO Shares (including the right to participate in the AYO Unbundling) (although if they subsequently withdraw their demand prior to a fair value offer being made by AYO, their Shareholder rights will be reinstated);
  - 5.3.2 the Independent Expert's Report set out in **Annexure 1** to this Circular, which concludes that the AYO Unbundling is fair and reasonable to AEEI Shareholders, as each of these terms is defined in the Companies Act;
  - 5.3.3 the tax consequences of exercising their Appraisal Rights, which in the case of AEEI Shareholders resident in South Africa is outlined in **Annexure 7** to this Circular; and
  - 5.3.4 the fact that the court is empowered to grant a costs order in favour of, or against, a Dissenting Shareholder, as may be applicable.

## 6. TRP APPROVAL

- 6.1 Shareholders are advised that the AYO Unbundling is deemed to constitute a Section 112 Disposal, and as such, constitutes an "affected transaction" as defined in section 117(1)(c)(i) of the Companies Act. Consequently, the AYO Unbundling is regulated by the Companies Act and the Companies Regulations and requires the approval of the TRP. The AYO Unbundling is subject to the condition that the TRP issues the compliance certificate required in terms of section 119(6) of the Companies Act.
- 6.2 AEEI Shareholders should take note that the TRP does not consider the commercial advantages or disadvantages of affected transactions when it approves them.

## 7. FOREIGN SHAREHOLDERS

- 7.1 No action has been taken by AEEI to obtain any approval, authorisation or exemption to permit the distribution of the AYO Shares or the possession or distribution of this Circular (or any other publicity material relating to AYO Shares) in any jurisdictions other than South Africa.
- 7.2 The AYO Unbundling is being conducted under the procedural requirements and disclosure standards of South Africa which may be different from those applicable in other jurisdictions. The legal implications of the AYO Unbundling on persons resident or located in jurisdictions outside of South Africa may be affected by the laws of the relevant jurisdiction. Such persons should consult their professional advisers and inform themselves about any applicable legal requirements, which they are obligated to observe. It is the responsibility of any such person wishing to participate in the AYO Unbundling to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection therewith.
- 7.3 Foreign Shareholders should refer to and take into account the disclaimers set out in **Annexure 6** to this Circular in relation to those jurisdictions. AEEI has been advised that AEEI Shareholders in these jurisdictions should be able to, subject to disclaimers, vote at the General Meeting and receive AYO Shares in terms of the AYO Unbundling.
- 7.4 Foreign Shareholders in those jurisdictions should nevertheless consult their own professional advisors and satisfy themselves as to the applicable legal requirements in their jurisdiction.
- 7.5 Notwithstanding the foregoing, any AYO Shares to which Foreign Excluded Shareholders are entitled but are unable, as result of applicable law in their jurisdiction, to receive and/or hold, will be held in trust by the Transfer Secretaries on their behalf, aggregated and disposed of on the JSE by the Transfer Secretaries for the benefit of such Foreign Excluded Shareholders.
- 7.6 CSDPs will be responsible for informing the Transfer Secretaries of all Dematerialised Shares held by them on behalf of Foreign Excluded Shareholders. The Transfer Secretaries will determine which Certificated Shareholders are Foreign Excluded Shareholders.
- 7.7 Foreign Excluded Shareholders will, in respect of their shareholdings, receive the average cash value of the relevant AYO Share(s) (net of costs), based on the average price at which such AYO Shares held by Foreign Excluded Shareholders were sold. The average cash value will be calculated and the consideration due to each Foreign Excluded Shareholder will be paid only once all these AYO Shares have been disposed of.
- 7.8 AEEI Shareholders who are not residents of South Africa or whose registered addresses fall outside of South Africa should contact their CSDP or Broker if they are uncertain of the impact of the AYO Unbundling on them.

## CIRCULAR TO AEEI SHAREHOLDERS

### 1. INTRODUCTION

Shareholders are referred to the announcement released on SENS on Monday, 6 March 2023 wherein AEEI Shareholders were advised that the Board had made the strategic decision to unbundle AEEI's entire shareholding in AYO and to distribute the AYO Distribution Shares to AEEI Shareholders in terms of the AYO Unbundling.

The AEEI Board further advised that AEEI would remain listed on the Main Board of the JSE following the implementation of the AYO Unbundling, with the Company's remaining assets meeting the requisite eligibility criteria to retain its listing. The AEEI Group structure following the Unbundling is set out in **Annexure 5** to this Circular.

The purpose of this Circular is to:

- 1.1 provide Shareholders with pertinent information in relation to the AYO Unbundling, which constitutes a Section 112 Disposal in terms of the Companies Act; and
- 1.2 convene a General Meeting of Shareholders in terms of the Notice of General Meeting forming part of this Circular, at which meeting Shareholders will be asked to consider and, if deemed fit, to pass, with or without modification, *inter alia*, the Unbundling Resolution required to implement the AYO Unbundling.

The AYO Unbundling is a Section 112 Disposal which must be approved by Shareholders through the Unbundling Resolution. The Independent Expert's Report on the AYO Unbundling, which has been duly considered by the Independent Board, is contained in **Annexure 1** to this Circular.

Shareholders are advised to familiarise themselves with the contents of this Circular together with the announcement released on SENS on Monday, 6 March 2023 in relation to the AYO Unbundling and to seek independent advice in relation thereto, as may be required.

### 2. RATIONALE FOR THE AYO UNBUNDLING

- 2.1 The AEEI Board constantly evaluates the optimal composition of its investment portfolio to ensure that it remains an attractive and appropriately rated permanent capital investment vehicle for AEEI Shareholders. It is important to AEEI to ensure that the portfolio composition is shaped by a long-term perspective on AEEI Shareholder value creation.

- 2.2 With three JSE-listed entities forming part of the Group, namely AEEI, AYO and PFB, considerable administration constraints, costs and challenges are placed on AEEI and its constituents. The Board has resolved in favour of the Unbundling for reasons including, but not limited to, the following:
- 2.2.1 the creation of an efficient and agile corporate structure with regulatory robustness and structural alignment to AEEI's strategy;
  - 2.2.2 significant cost savings in terms of management fees and shared services; and
  - 2.2.3 unlocking additional value for AEEI Shareholders as AEEI's share price is currently trading below the net asset value.

### 3. **AYO UNBUNDLING**

#### 3.1 **Description**

- 3.1.1 The AYO Unbundling constitutes the distribution of the AYO Distribution Shares by way of a distribution *in specie* in terms of section 46(1)(a)(ii) of the Companies Act and section 46 of the Income Tax Act to AEEI Shareholders on a *pro rata* basis.
- 3.1.2 The AYO Unbundling will result in Shareholders holding a direct interest in AYO rather than holding that interest through AEEI.
- 3.1.3 The AYO Unbundling will be effected in terms of the Distribution Ratio of 1 AYO Distribution Shares for every 2.89 AEEI Shares held on the AYO Unbundling Record Date.

#### 3.2 **Timing**

- 3.2.1 The AYO Unbundling will occur on Monday, 31 July 2023.

#### 3.3 **Corporate approvals**

- 3.3.1 The General Meeting of Shareholders convened in terms of the Notice of General Meeting forming part of this Circular, will consider and, if deemed fit, pass, with or without modification, *inter alia*, the Unbundling Resolution necessary to give effect to the AYO Unbundling.
- 3.3.2 In terms of section 112 of the Companies Act, the Unbundling Resolution requires the approval of at least a 75% majority of Shareholders present or represented by proxy at the General Meeting and entitled to vote, as the AYO Unbundling is regarded as a Section 112 Disposal.
- 3.3.3 The AEEI Board has passed the necessary board resolution required in terms of section 46 of the Companies Act for the AYO Unbundling, and have confirmed, *inter alia*, that after the implementation of the AYO Unbundling, AEEI will meet the solvency and liquidity test contemplated in section 4 of the Companies Act.

#### 3.4 **Procedure for the implementation of the AYO Unbundling**

- 3.4.1 For purposes of the AYO Unbundling, Shareholders will receive their respective AYO Distribution Shares in Dematerialised form only.
- 3.4.2 Accordingly, all Certificated Shareholders wishing to receive their AYO Distribution Shares in Dematerialised form must appoint a CSDP or a Broker, to receive such AYO Distribution Shares on their behalf.
- 3.4.3 Should a Certificated Shareholder not appoint a CSDP or Broker to receive the AYO Distribution Shares on its behalf, such Certificated Shareholder will be issued with a statement of allocation representing its AYO Distribution Shares by the Transfer Secretaries. Such Certificated Shareholder can instruct the Transfer Secretaries to transfer its AYO Distribution Shares represented in the statement of allocation to its appointed CSDP or Broker or can instruct the Transfer Secretaries to issue it with a share certificate in respect of its AYO Distribution Shares, at any time following the AYO Unbundling.
- 3.4.4 If a Shareholder is in any doubt as to what action it should take, it should consult its Broker, CSDP, banker, attorney or other professional advisor.
- 3.4.5 The Unbundling does not include a cash election. Accordingly, AEEI Shareholders shall not be entitled to elect to receive cash in lieu of their entitlement to receive the AYO Distribution Shares.

### 3.5 Takeover Panel

- 3.5.1 Shareholders are advised that the AYO Unbundling is deemed to constitute a Section 112 Disposal, and as such, constitutes an “affected transaction” as defined in section 117(1)(c) (i) of the Companies Act. Consequently, the AYO Unbundling is regulated by the Companies Act and the Companies Regulations and requires the approval of the TRP.
- 3.5.2 As noted in paragraph 4 of this Circular, one of the Conditions Precedent to the implementation of the AYO Unbundling is that the TRP provides the compliance certificate required in terms of section 119(4)(b) of the Companies Act.

### 3.6 Governing law and jurisdiction

- 3.6.1 The AYO Unbundling will be governed by, and construed in accordance with, the laws of South Africa.
- 3.6.2 Each Shareholder shall be deemed to have irrevocably submitted to the exclusive jurisdiction of the courts of South Africa in relation to matters arising out of or in connection with the AYO Unbundling.

### 3.7 Taxation considerations relating to the AYO Unbundling

- 3.7.1 The Unbundling will constitute a disposal by AEEI of the AYO Distribution Shares to AEEI Shareholders. It is expected that the disposal should qualify as an “unbundling transaction” as contemplated in section 46 of Income Tax Act, which, subject to the considerations set out **Annexure 7** to this Circular, allows for a tax neutral implementation of the Unbundling from an income tax, capital gains tax, dividends tax and STT perspective for certain AEEI Shareholders.
- 3.7.2 Shareholders are referred to **Annexure 7** to this Circular for summary of certain South African tax consequences of the Unbundling.

### 3.8 Exchange Control Regulations

- 3.8.1 AEEI has applied for and obtained the requisite approval from the South African Reserve Bank for the AYO Unbundling.
- 3.8.2 Shareholders are referred to **Annexure 8** to this Circular for a summary of Exchange Control Regulations applications of the AYO Unbundling..
- 3.8.3 If Shareholders are in any doubt as to what action to take, they should consult their professional advisers.

### 3.9 Fractional entitlements

- 3.9.1 Where a Shareholder’s entitlement to the AYO Distribution Shares in terms of the AYO Unbundling, calculated in accordance with the Distribution Ratio, gives rise to a fraction of an AYO Distribution Share, such fractional entitlement will be rounded down to the nearest whole number, resulting in allocations of whole numbers of AYO Distribution Shares only, and a cash payment in respect of the fractional entitlement to AEEI Shareholders being credited to AEEI Shareholders’ accounts held at their CSDP or Broker.
- 3.9.2 AEEI Shareholders will accordingly be paid the cash proceeds, by AEEI, (net of any applicable taxes or costs) of the sale of the fractional entitlements to the AYO Distribution Shares on the basis outlined below. In accordance with the Listings Requirements, this amount will be determined with reference to the volume weighted average price in Rand of AYO Shares traded on the JSE on Wednesday, 26 July 2023, being the first trading day “ex” the entitlement to participate in the Unbundling, reduced by 10% (“**Cash Proceeds**”).
- 3.9.3 AEEI has set aside the necessary funds to pay the Cash Proceeds and has been granted dispensation by the TRP under section 119(6) of the Companies Act to be exempt from regulations 111(4) and (5) of the Companies Regulations which require the offeror, in this case, AEEI, to provide an irrevocable unconditional bank guarantee issued by a South African registered bank or an irrevocable unconditional cash confirmation from a third party that sufficient cash is held in escrow in favour of the holders of relevant securities for the sole purpose of paying the Cash Proceeds. Accordingly, no such guarantee is required to be provided by AEEI as it has set aside sufficient funds to pay the Cash Proceeds.

- 3.9.4 The Cash Proceeds will be paid: (i) by AEEI to the relevant registered certificated AEEI Shareholders; and (ii) by a nominee or CSDP to the relevant AEEI Shareholders that hold their AEEI Shares in uncertificated form within a nominee account or within a CSDP. The fractional entitlement will be subject to DWT at a dividends tax rate of 20%.
- 3.9.5 The actual price used to calculate the Cash Proceeds will be announced by AEEI on SENS on Thursday, 27 July 2023.

#### 4. **CONDITIONS PRECEDENT**

As the Unbundling constitutes a Section 112 Disposal in terms of the Companies Act, it is subject to the fulfilment or waiver of the following Conditions Precedent:

- AEEI having obtained all such other statutory and regulatory approvals for the Section 112 Disposal (including but not limited to the JSE and the South African Reserve Bank);
- the approval of the Unbundling Resolution by the requisite majority, being 75% of AEEI Shareholders (as contemplated in section 115(2) of the Companies Act) entitled to exercise voting rights at the General Meeting, called for such purpose and at which sufficient persons are present to exercise, in aggregate at least 25% of all the voting rights that are entitled to be exercised in respect of the Unbundling; and
- the TRP having issued a compliance certificate to AEEI in relation to the Section 112 Disposal in accordance with section 119(4)(b) of the Companies Act.

BTSA is engaged in the provision of support services for multi-national ICT outsourcing contracts, the provision of local data and voice outsourcing solutions, global frame and MPLS services.

### 6.1.3 Strategy

AEEI's business model and philosophy has resulted in it acquiring control of the majority of its operational investments, holding a diverse portfolio of investments as well as holding non-controlling stakes in strategic investments and associates. This enables it to add value through its extensive expertise and networks, influence business processes, provide management expertise and synergies with existing investments while promoting an entrepreneurial culture within its management structure and staff. Through its assets and investments, the Company drives its underlying businesses to become efficient and sustainable, which generates revenue, provides capital to grow the business and encourages above market shareholder returns.

AEEI's investment decisions, across its entire portfolio are driven by the overall objective of creating and growing stakeholder value in a sustainable manner.

### 6.2 Prospects

The prospects of the AEEI Group in general are as follows:

6.2.1 Due to the current subdued economic climate, the business outlook is not expected to be favourable in the short term. Pressure on revenue and operating costs is expected to persist. However, AEEI has positioned itself to withstand these pressures and remains committed to maximising Shareholder returns despite the challenging economy.

6.2.2 The unbundling of AYO is expected to unlock Shareholder value in line with AEEI's strategy as Shareholders will hold AYO Shares directly, which shares have historically traded at a higher price than AEEI Shares, rather than through their shareholding in AEEI.

6.2.3 The Board also anticipates that the remaining investment portfolio will return AEEI to a profit making group, aiding the creation of additional value for stakeholders.

- 6.2.4 Further to the announcements released on SENS on 16 February 2022 and 23 June 2023 wherein Shareholders were informed that the Company's bankers, Nedbank Limited ("**Nedbank**"), had given notice to the Company to close its transactional banking facility, the Company's urgent interdict application with the Equality Court in respect of Nedbank's decision and the subsequent granting of the interim interdict, AEEI is focused on restoring its relationships with Nedbank and other banking institutions to ensure sustainability of its business. AEEI remains confident in the justice system enabling this process, as evidenced in the Equality Court's interim interdict application. The strained relationship with the banks has damaged AEEI's brand and made it challenging to pursue investment opportunities.
- 6.2.5 Notwithstanding the current economic climate, future investments and developments will be kept on track, with the AEEI Group looking for opportunities, acquisitions or partnerships to grow its business.
- 6.2.6 Further reorganisation of the Group's current investment portfolio to further unlock value for Shareholders remains a possibility in the reality of the current challenging macroeconomic environment and more specifically, the unique challenges facing the AEEI Group, including the aforementioned strained relationships with the banking institutions which culminated in certain bank account closures, resultant reputational damage and the legal proceedings between AYO, the Public Investment Corporation SOC Limited ("**PIC**") and the Government Employees Pension Fund ("**GEPF**"), which legal proceedings ultimately ceased following the amicable conclusion of a settlement agreement between the parties in March 2023 as further detailed in paragraph 21 below.

Dear Sirs

**REPORT OF THE INDEPENDENT EXPERT IN RESPECT OF THE PROPOSED UNBUNDLING BY AFRICAN EQUITY EMPOWERMENT INVESTMENTS LIMITED ("AEEI" OR THE "COMPANY") OF ITS SHAREHOLDING IN AYO TECHNOLOGIES SOLUTIONS LIMITED ("AYO") TO ITS SHAREHOLDERS WHICH CONSTITUTES A PROPOSAL TO DISPOSE OF THE GREATER PART OF THE ASSETS OF AEEI IN TERMS OF SECTION 112 OF THE COMPANIES ACT, AS READ WITH REGULATIONS 90 AND 110 OF THE COMPANIES REGULATIONS**

### Introduction and proposed transaction

In an announcement made by AEEI on the Stock Exchange News Service ("**SENS**") of the exchange operated by the Johannesburg Stock Exchange Limited (the "**JSE**") on 6 March 2023 (the "**Unbundling Announcement**"), holders of ordinary no par value shares in the issued share capital of AEEI (the "**Shares**") ("**AEEI Shareholders**") were advised that the board of directors of AEEI ("**Board**") has resolved to unbundle AEEI's entire shareholding in AYO, being 169 866 829 ordinary shares in AYO ("**AYO Shares**") to AEEI shareholders ("**Unbundling**").

The Unbundling comprises the distribution of 49.36% of the total issued share capital of AYO, by way of a *pro rata* distribution *in specie*, in the ratio of 1 AYO Share for every 2.89 AEEI share held on the Unbundling record date.

### Fair and reasonable opinion required in terms of the Act

The Unbundling constitutes a proposal to dispose of the greater part of the assets of AEEI in terms of section 112 of the Companies Act, 2008 (Act 71 of 2008) as amended ("**Act**") ("**Section 112 Disposal**"). The Unbundling is an affected transaction as defined in section 117(1)(c) of the Act. In terms of section 112 of the Act, as read with Regulations 90 and 110 of the Companies Regulations, 2011 ("**Companies Regulations**"), the Independent board of AEEI (the "**AEEI Independent Board**") is required to retain an independent expert to provide an independent expert report (in the form of a fair and reasonable opinion) in terms of section 112 of the Act and Regulations 90 and 110 of the Companies Regulations (the "**Fair and Reasonable Opinion**" or "**Opinion**").

Exchange Sponsors Projects (Pty) Ltd ("**Exchange Sponsors**") has been appointed as the independent expert by the AEEI Independent Board to assess the Unbundling and advise on whether the terms and conditions of the Unbundling are fair and reasonable to AEEI Shareholders, as required in terms of section 112 of the Act and Regulation 90 of the Companies Regulations. The Fair and Reasonable Opinion set out herein is provided to the AEEI Independent Board for the sole purpose of assisting the AEEI Independent Board in forming and expressing an opinion on whether the Unbundling is fair and reasonable to AEEI Shareholders.

Copies of sections 115 and 164 of the Act are included in **Annexure 4** of the circular to Shareholders, dated 1 June 2023 (the "**Circular**").

### Responsibility

Compliance with the Act and the Companies Regulations is the responsibility of the AEEI Independent Board. Our responsibility is to report to the AEEI Independent Board on whether the terms and conditions of the Unbundling are fair and reasonable to the AEEI Shareholders.

## Details of the Unbundling

The board proposes, subject to the fulfilment of the conditions precedent, the Unbundling by way of a pro rata distribution in specie in terms of section 46(1)(a)(ii) of the Act and section 46 of the Income Tax Act (Act 58 of 1962), as amended ("**Income Tax Act**"), to unbundle 169 866 829 AYO Shares comprising 49.36% of the issued ordinary share capital of AYO.

As detailed in the Circular, each AEEI Shareholder is expected to receive the AYO Shares (which are listed on the securities exchange operated by the JSE), as a pro rata payment in terms of paragraph 5.85(b) of the JSE Listings Requirements, in the distribution entitlement ratio of 1 AYO Distribution Share for every 2.89 AEEI Shares.

The Unbundling will not involve an election on the part of AEEI Shareholders including a cash election and, accordingly, no AEEI Shareholder shall be entitled to elect to receive cash in lieu of their entitlement to receive the AYO Distribution Shares in terms of the Unbundling.

The distribution of the AYO Shares to AEEI Shareholders in accordance with the distribution entitlement ratio set out above, could result in fractional entitlements for such AEEI Shareholders. In accordance with the JSE Listings Requirements, such fractional entitlements will be rounded down to the nearest whole number and a cash payment made to AEEI shareholders.

Based on our analysis, there is no material adverse rights and interest of the AEEI shareholders.

### Definition of the terms "fair" and "reasonable" applicable in the context of the transaction

The "fairness" of a transaction is primarily based on quantitative issues. A transaction will generally be said to be fair to a company's shareholders if the benefits received, as a result of the transaction, are equal to or greater than the value given up.

An unbundling, although in absolute terms a shareholder's position before and after the position is the same, an unbundling is generally fair and reasonable if the combined value of the securities after the unbundling is equal or greater than the value of the securities before the unbundling. The assessment of reasonableness of a transaction is generally based on qualitative considerations surrounding the transaction.

The Fair and Reasonable Opinion does not purport to cater for individual shareholders' positions but rather the rights and interest of the general body of shareholders. A shareholder's decision regarding the fairness of the terms of the Unbundling may be influenced by his or her particular circumstances.

Market value is defined as the estimated amount for an asset should exchange between a willing buyer and a willing seller. If shares are traded on a public exchange it will be the traded price on the exchange.

In reaching a conclusion on whether the Unbundling is fair and reasonable to the AEEI Shareholders we considered the material effects of the Unbundling on the rights and interest of AEEI shareholders and the effect on its valuation. This entails a comparison of the Market Value of the AEEI shares before the Unbundling to the Market Value of the AEEI and AYO shares after the Unbundling.

### Details and sources of information

In arriving at our opinion, we have relied upon the following principal sources of information:

- the Unbundling announcement dated 6 March 2023;
- the terms and conditions of the Unbundling, as set out in the Circular;

- unaudited annual financial statements for AEEI (Company only) for the year ended 31 August 2022;
- the firm intention announcement made by Premier Fishing and Brands Limited ("**PFB**") dated 3 March 2023;
- unaudited annual financial statements for BT Communications Services South Africa (Pty) Limited ("**BT SA**") for the year ended 31 March 2022;

- discussions with the AEEI directors and management and/or their advisors regarding the Unbundling;
- discussions with the AEEI directors and management on prevailing market, economic, legal and other conditions which may affect underlying value;
- publicly available information relating to the industry in which AEEI operates in general; and
- publicly available information relating to AEEI and AYO that we deemed to be relevant, including AEEI and AYO announcements and media articles.

The information above was secured from:

- AEEI directors and management; and
- third-party sources, including information related to publicly available economic, market and other data which we considered applicable to, or potentially influencing AEEI and AYO.

### **Procedures**

In arriving at our Opinion, we have undertaken the following procedures and taken into account the following factors in evaluating the fairness and reasonableness of the Unbundling:

- analysis of the terms and conditions of the Unbundling as set out in the Circular;
- reviewed the calculation of the Unbundling ratio;
- held discussions with AEEI directors and management regarding the implications of the Unbundling and tax position of AEEI shareholders;
- analysis of share trading history of AEEI and AYO; and
- considered the long-term effects of the Unbundling on AEEI.

### **Valuation Approach**

In evaluating the Unbundling we have compared the Market Value of the AEEI shares before the Unbundling to the Market Value of the AEEI shares after the Unbundling and the value of the unbundled AYO shares ("**AYO Distribution Shares**").

For the purpose of our valuation we used the market values of AEEI and AYO based on the JSE trading prices for the 90 days up to 24 May 2023. For the AEEI value after the Unbundling we have performed a sum-of-the-parts valuation as AEEI is an investment company, by valuing each of the major investments separately, as follows:

- The minor investments have been valued at book value at 31 August 2022 based on the values included in the group annual financial statements for the year ended 31 August 2022;
- The investment in PFB has been valued at the offer price as detailed in the firm intention announcement released on SENS on 3 March 2023 being a price of 160 cents per Premier ordinary share;
- The value of the investment in Kilomix (Pty) Limited ("**Kilomix**"), which owns 30% of BT SA, has been determined by valuing the 30% shareholding BTSA using the PE ratio method. This involves identifying comparable listed peers, applying appropriate discounts to the valuation multiples of these peers, to take into account size and tradability and multiplying the adjusted PE ratio with the results of the previous years to 31 March 2021 and 2022 and the forecast to 31 March 2023;
- Current assets and liabilities at book value at 31 August 2022 based on the values included in the group annual financial statements for the year ended 31 August 2022;

The valuation determined was then adjusted with an appropriate discount for holding companies listed on the JSE.

### **Assumptions**

We arrived at our Opinion based on the following assumptions:

- current economic, regulatory and market conditions will not change materially;
- AEEI is not involved in any other material legal proceedings other than what has been disclosed in the Circular;
- there are no known undisclosed contingencies that could have a material effect on the value of AEEI and AYO;
- the Unbundling will not give rise to any undisclosed tax liabilities;
- that reliance can be placed on the historic and forecast financial information of AEEI as set out above; and
- reliance on the assumptions in the information available made by AEEI's representatives, during the course of forming this Opinion.

## Opinion

We determined a value range of R420 million to R589 million for AEEI before the Unbundling, with a most likely value of R505 million.

We have determined an aggregate value range, for AEEI after the Unbundling and the AYO Distribution Shares, of R 1 112 million to R 1 220 million, with a most likely value of R 1 166 million.

Based on the results of our procedures performed, our valuation work detailed above and subject to the conditions set out herein, we are of the opinion that the Unbundling is fair and reasonable to AEEI shareholders.

Accordingly, we assume no responsibility and make no representations with respect to the accuracy or completeness of any information provided to us in respect of the Unbundling.

Our opinion is necessarily based upon the information available to us up to 4 May 2023, including financial, market and other conditions and circumstances existing and disclosed to us at the date thereof. We have furthermore assumed that all conditions precedent, including any material regulatory and other approvals and consents required in connection with the Unbundling have been fulfilled or obtained. Accordingly, it should be understood that subsequent developments, may affect this Opinion, which we are under no obligation to update, revise or re-affirm this Opinion based on such developments.

Where relevant, forward-looking information of AEEI relates to future events and is based on assumptions that may or may not remain valid for the whole of the forecast period. Consequently, such information cannot be relied upon to the same extent as that derived from audited financial statements for completed accounting periods. We express no opinion as to how closely the actual future results of AEEI will correspond to those projected. We have, however, compared the forecast financial information of AEEI to past trends as well as discussing the assumptions inherent therein with AEEI management.

We have also assumed that the Unbundling will have the legal consequences described in discussions with, and materials furnished to us by representatives and advisers of AEEI and we express no opinion on such consequences. Our opinion is based on current economic, regulatory and market as well as other conditions. Subsequent developments may affect the Opinion, and we are under no obligation to update, review or re-affirm our opinion based on such developments.

In the SENS announcements dated 4 June 2021 and 29 March 2023 ("**SENS Announcements**"), AEEI informed shareholders that in terms of the shareholders agreement entered into between BT Limited ("**BT**"), BT SA, Kilomix and AEEI dated 4 November 2008, BT has a call option allowing it to repurchase the BT SA shares from AEEI in the event of an act or omission which is not remedied within 60 days ("**BT Call Option**"). Shareholders were advised that BT sent a letter indicating that it wishes to exercise its call option due to a breach as defined in the shareholders agreement. In the SENS Announcements, shareholders were advised to exercise caution when dealing in the AEEI's securities until the validity of the exercise of the BT Call Option can be determined, and if it was validly exercised and until an agreement on the BT Call Option price is reached.

We have been informed by management that the matter has been referred to arbitration. The outcome of the dispute could have a material effect on the value of Kilomix's 30% shareholding in BT SA, but it is not possible to determine it at the date of this report.

In a SENS announcement dated 6 March 2023 ("**AYO SENS Announcement**") AYO referred its shareholders to the announcement released on SENS on 31 May 2019 wherein AYO advised shareholders that AYO had received a summons issued by the Public Investment Corporation ("**PIC**") and Government Employees Pension Fund ("**GEPF**"). The summons seeks a declaration that the subscription agreement entered into between the PIC and AYO be declared unlawful and set aside.

In a SENS announcement dated 24 March 2023, AYO advised its shareholders that the proceedings between AYO, PIC and GEPF (“**the Parties**”) have ceased following the amicable conclusion of a settlement agreement between the parties (“**Settlement Agreement**”), the terms of which are confidential. In a SENS announcement dated 3 April 2023 (“**Settlement Agreement Announcement**”), AYO informed its shareholders of the details contained in the Settlement Agreement. In a follow up cautionary SENS announcement dated 4 April 2023, AYO shareholders were informed that AYO was directed by the JSE to issue a supplementary announcement to the Settlement Agreement Announcement (“**Supplementary Announcement**”) containing the requisite disclosures and approvals that would ordinarily be required in terms of the relevant corporate actions in the Settlement Agreement Announcement, in accordance with the JSE Listings Requirements. AYO shareholders were advised to exercise caution when dealing in AYO’s securities until the publication of the Supplementary Announcement.

The above settlement between the parties could have a material effect on the value of AYO’s shares. Shareholders should refer to the Supplementary Announcement released on SENS on 18 May 2023.

### **Independence, competence and fees**

We also confirm that we have the necessary competence to provide the Fair and Reasonable Opinion on and meet the criteria set out in section 114(2)(a) of the Act.

Furthermore, we confirm that our professional fees of R300 000.00, payable in cash, are not contingent upon the success of the Unbundling.

### **Consent**

We hereby consent to the inclusion of this Fair and Reasonable Opinion, in whole or in part, and references thereto in the Circular and any other announcement or document pertaining to the Unbundling, in the form and context in which they appear.

This column represents the deconsolidation of comprehensive income of AYO Technology Solutions Ltd for the year ended 31 August 2022, extracted without adjustment from the published audited financial information of AYO for the year ended 31 August 2022.

AYO Technology Solutions Ltd was classified as a continuing operation in the 2022 financial statements of African Equity Empowerment Investments Ltd.

- The dividend in specie declared to shareholders of African Equity Empowerment Investments Ltd and the corresponding liability for the dividend payable is recognised at the fair market value of the AYO Technology Solutions Ltd shares to be distributed.

Upon distribution of the shares as a dividend in specie, the liability for the dividend payable is settled and the difference between the carrying value of the liability for the dividend payable and the carrying value of the assets and liabilities of the former subsidiary is recognised in profit or loss.

The loss on settlement of the liability for the dividend in specie is calculated as follows:

<b>Loss on settlement of liability for dividend in specie</b>	<b>931 204</b>

The loss recognised is excluded from Headline Earnings.

The loss on settlement of the liability for the dividend *in specie* will not have a continuing effect on the consolidated statement of comprehensive earnings as it is a once-off transaction.

Our responsibility is to express an opinion about whether the *pro forma* financial information has been compiled, in all material respects, by the directors on the basis specified in the JSE Listings Requirements based on our procedures performed.

We conducted our engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3420, Assurance Engagements to Report on the Compilation of *Pro Forma* Financial Information Included in a Prospectus which is applicable to an engagement of this nature issued by the International Auditing and Assurance Standards Board. This standard requires that we plan and perform procedures to obtain reasonable assurance about whether the *pro forma* financial information has been compiled, in all material respects, on the basis specified in the JSE Listings Requirements.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the *pro forma* financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the *pro forma* financial information.

The purpose of *pro forma* financial information included in a prospectus is solely to illustrate the impact of a significant corporate action or event on unadjusted financial information of the entity as if the corporate action or event had occurred or had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the corporate action or event at 31 August 2022 would have been as presented.

A reasonable assurance engagement to report on whether the *pro forma* financial information has been compiled, in all material respects, on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the *pro forma* financial information provide a reasonable basis for presenting the significant effects directly attributable to the corporate action or event, and to obtain sufficient appropriate evidence about whether:

- The related *pro forma* adjustments give appropriate effect to those criteria; and
- The *pro forma* financial information reflects the proper application of those adjustments to the unadjusted financial information.

Our procedures selected depend on our judgement, having regard to our understanding of the nature of the company, the corporate action or event in respect of which the *pro forma* financial information has been compiled, and other relevant engagement circumstances.

Our engagement also involves evaluating the overall presentation of the *pro forma* financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Restriction of use**

---

### SECTION 115: REQUIRED APPROVAL FOR TRANSACTIONS CONTEMPLATED IN PART A

- (1) Despite section 65, and any provision of a company's Memorandum of Incorporation, or any resolution adopted by its board or holders of its securities, to the contrary, a company may not dispose of, or give effect to an agreement or series of agreements to dispose of, all or the greater part of its assets or undertaking, implement an amalgamation or a merger, or implement a scheme of arrangement, unless:
- a. the disposal, amalgamation or merger, or scheme of arrangement:
    - i. has been approved in terms of this section; or
    - ii. is pursuant to or contemplated in an approved business rescue plan for that company, in terms of Chapter 6; and

    - ii. amalgamate or merge with another company; or
    - iii. implement a scheme of arrangement,the Panel has issued a compliance certificate in respect of the transaction, in terms of section 119(4)(b), or exempted the transaction in terms of section 119(6).
- (2) A proposed transaction contemplated in subsection (1) must be approved:
- a. by the Unbundling Resolution adopted by persons entitled to exercise voting rights on such a matter, at a meeting called for that purpose and at which sufficient persons are present to exercise, in aggregate, at least 25% of all of the voting rights that are entitled to be exercised on that matter, or any higher percentage as may be required by the company's Memorandum of Incorporation, as contemplated in section 64(2); and
  - b. by a special resolution, also adopted in the manner required by paragraph (a), by the shareholders of the company's holding company if any, if:
    - i. the holding company is a company or an external company;
    - ii. the proposed transaction concerns a disposal of all or the greater part of the assets or undertaking of the subsidiary; and
    - iii. having regard to the consolidated financial statements of the holding company, the disposal by the subsidiary constitutes a disposal of all or the greater part of the assets or undertaking of the holding company; and
  - c. by the court, to the extent required in the circumstances and manner contemplated in subsections (3) to (6).
- (3) Despite a resolution having been adopted as contemplated in subsections (2)(a) and (b), a company may not proceed to implement that resolution without the approval of a court if:
- a. the resolution was opposed by at least 15% of the voting rights that were exercised on that resolution and, within five business days after the vote, any person who voted against the resolution requires the company to seek court approval; or
  - b. the court, on an application within 10 business days after the vote by any person who voted against the resolution, grants that person leave, in terms of subsection (6), to apply to a court for a review of the transaction in accordance with subsection (7).

- (4) For the purposes of subsections (2) and (3), any voting rights controlled by an acquiring party, a person related to an acquiring party, or a person acting in concert with either of them, must not be included in calculating the percentage of voting rights:
- a. required to be present, or actually present, in determining whether the applicable quorum requirements are satisfied; or
  - b. required to be voted in support of a resolution, or actually voted in support of the resolution. (4A) In subsection (4), 'act in concert' has the meaning set out in section 117(1)(b).
- (5) If a resolution requires approval by a court as contemplated in terms of subsection (3)(a), the company must either:
- a. within 10 business days after the vote, apply to the court for approval, and bear the costs of that application; or
  - b. treat the resolution as a nullity.
- (6) On an application contemplated in subsection (3)(b), the court may grant leave only if it is satisfied that the applicant:
- a. is acting in good faith;
  - b. appears prepared and able to sustain the proceedings; and
  - c. has alleged facts which, if proved, would support an order in terms of subsection (7).
- (7) On reviewing a resolution that is the subject of an application in terms of subsection (5)(a), or after granting leave in terms of subsection (6), the court may set aside the resolution only if:
- a. the resolution is manifestly unfair to any class of holders of the company's securities; or
  - b. the vote was materially tainted by conflict of interest, inadequate disclosure, failure to comply with the Act, the Memorandum of Incorporation or any applicable rules of the company, or other significant and material procedural irregularity.
- (8) The holder of any voting rights in a company is entitled to seek relief in terms of section 164 if that person:
- a. notified the company in advance of the intention to oppose a special resolution contemplated in this section; and
  - b. was present at the meeting and voted against that special resolution.
- (9) If a transaction contemplated in this Part has been approved, any person to whom assets are, or an undertaking is, to be transferred, may apply to a court for an order to effect:

  - b. the allotment and appropriation of any shares or similar interests to be allotted or appropriated as a consequence of the transaction;
  - c. the transfer of shares from one person to another;
  - d. the dissolution, without winding-up, of a company, as contemplated in the transaction;
  - e. incidental, consequential and supplemental matters that are necessary for the effectiveness and completion of the transaction; or
  - f. any other relief that may be necessary or appropriate to give effect to, and properly implement, the amalgamation or merger.

## **SECTION 164: DISSENTING SHAREHOLDERS APPRAISAL RIGHTS**

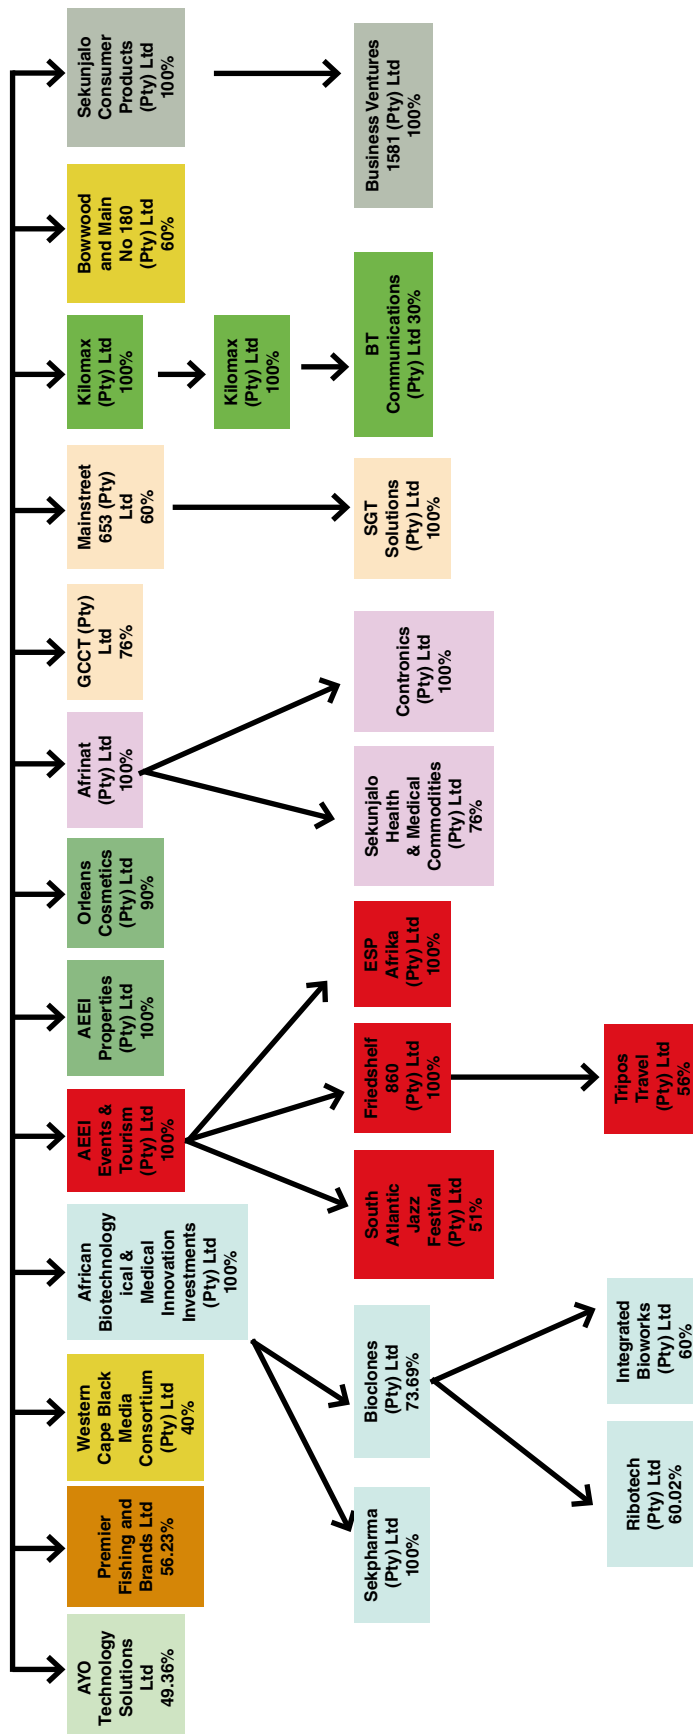

- (1) This section does not apply in any circumstances relating to a transaction, agreement or offer pursuant to a business rescue plan that was approved by shareholders of a company, in terms of section 152.
- (2) If a company has given notice to shareholders of a meeting to consider adopting a resolution to:
  - a. amend its Memorandum of Incorporation by altering the preferences, rights, limitations or other terms of any class of its shares in any manner materially adverse to the rights or interests of holders of that class of shares, as contemplated in section 37(8); or
  - b. enter into a transaction contemplated in section 112, 113 or 114, that notice must include a statement informing shareholders of their rights under this section.
- (3) At any time before a resolution referred to in subsection (2) is to be voted on, a dissenting shareholder may give the company a written notice objecting to the resolution.
- (4) Within 10 business days after a company has adopted a resolution contemplated in this section, the company must send a notice that the resolution has been adopted to each shareholder who:
  - a. gave the company a written notice of objection in terms of subsection (3); and
  - b. has neither:
    - i. withdrawn that notice; or
    - ii. voted in support of the resolution.
- (5) A shareholder may demand that the company pay the shareholder the fair value for all of the shares of the company held by that person if:
  - a. the shareholder:
    - i. sent the company a notice of objection, subject to subsection (6); and
    - ii. in the case of an amendment to the company's Memorandum of Incorporation, holds shares of a class that is materially and adversely affected by the amendment;
  - b. the company has adopted the resolution contemplated in subsection (2); and
  - c. the shareholder:
    - i. voted against that resolution; and
    - ii. has complied with all of the procedural requirements of this section.
- (6) The requirement of subsection (5)(a)(i) does not apply if the company failed to give notice of the meeting, or failed to include in that notice a statement of the shareholders rights under this section.
- (7) A shareholder who satisfies the requirements of subsection (5) may make a demand contemplated in that subsection by delivering a written notice to the company within:
  - a. 20 business days after receiving a notice under subsection (4); or
  - b. if the shareholder does not receive a notice under subsection (4), within 20 business days after learning that the resolution has been adopted.
- (8) A demand delivered in terms of subsections (5) to (7) must also be delivered to the Panel, and must state:
  - a. the shareholder's name and address;
  - b. the number and class of shares in respect of which the shareholder seeks payment; and
  - c. a demand for payment of the fair value of those shares.
- (9) A shareholder who has sent a demand in terms of subsections (5) to (8) has no further rights in respect of those shares, other than to be paid their fair value, unless:
  - a. the shareholder withdraws that demand before the company makes an offer under subsection (11), or allows an offer made by the company to lapse, as contemplated in subsection (12)(b);
  - b. the company fails to make an offer in accordance with subsection (11) and the shareholder withdraws the demand; or
  - c. the company, by a subsequent special resolution, revokes the adopted resolution that gave rise to the shareholder's rights under this section.

- (10) If any of the events contemplated in subsection (9) occur, all of the shareholder's rights in respect of the shares are reinstated without interruption.
- (11) Within five business days after the later of:
- a. the day on which the action approved by the resolution is effective;
  - b. the last day for the receipt of demands in terms of subsection (7)(a); or
  - c. the day the company received a demand as contemplated in subsection (7)(b), if applicable, the company must send to each shareholder who has sent such a demand a written offer to pay an amount considered by the company's directors to be the fair value of the relevant shares, subject to subsection (16), accompanied by a statement showing how that value was determined.
- (12) Every offer made under subsection (11):
- a. in respect of shares of the same class or series must be on the same terms; and
  - b. lapses if it has not been accepted within 30 business days after it was made.
- (13) If a shareholder accepts an offer made under subsection (12):
- a. the shareholder must either in the case of:
    - i. shares evidenced by certificates, tender the relevant share certificates to the company or the company's transfer agent; or
    - ii. uncertificated shares, take the steps required in terms of section 53 to direct the transfer of those shares to the company or the company's transfer agent; and
  - b. the company must pay that shareholder the agreed amount within 10 business days after the shareholder accepted the offer and:
    - i. tendered the share certificates; or
    - ii. directed the transfer to the company of uncertificated shares.
- (14) A shareholder who has made a demand in terms of subsections (5) to (8) may apply to a court to determine a fair value in respect of the shares that were the subject of that demand, and an order requiring the company to pay the shareholder the fair value so determined, if the company has:
- a. failed to make an offer under subsection (11); or
  - b. made an offer that the shareholder considers to be inadequate, and that offer has not lapsed.
- (15) On an application to the court under subsection (14):
- a. all dissenting shareholders who have not accepted an offer from the company as at the date of the application must be joined as parties and are bound by the decision of the court;
  - b. the company must notify each affected dissenting shareholder of the date, place and consequences of the application and of their right to participate in the court proceedings; and
  - c. the court:
    - i. may determine whether any other person is a dissenting shareholder who should be joined as a party;
    - ii. must determine a fair value in respect of the shares of all dissenting shareholders, subject to subsection (16);
    - iii. in its discretion may:
      - (aa) appoint one or more appraisers to assist it in determining the fair value in respect of the shares; or
      - (bb) allow a reasonable rate of interest on the amount payable to each dissenting shareholder from the date the action approved by the resolution is effective, until the date of payment;

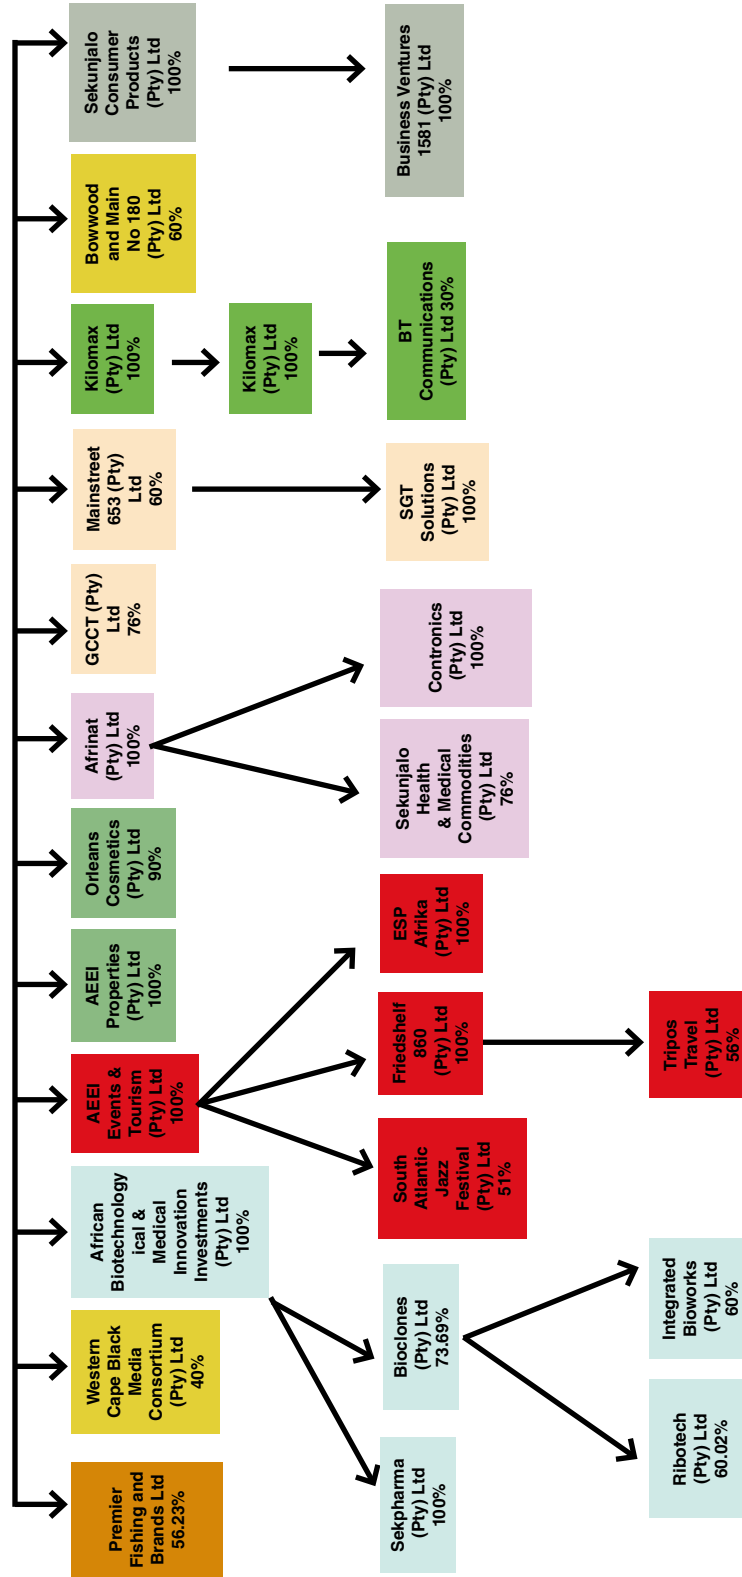

- iv. may make an appropriate order of costs, having regard to any offer made by the company, and the final determination of the fair value by the court; and
  - v. must make an order requiring:
    - (aa) the dissenting shareholders to either withdraw their respective demands or to comply with subsection (13)(a); and
    - (bb) the company to pay the fair value in respect of their shares to each dissenting shareholder who complies with subsection (13)(a), subject to any conditions the court considers necessary to ensure that the company fulfils its obligations under this section.
- (15A) At any time before the court has made an order contemplated in subsection (15)(c)(v), a dissenting shareholder may accept the offer made by the company in terms of subsection (11), in which case:
- a that shareholder must comply with the requirements of subsection 13(a); and
  - b the company must comply with the requirements of subsection 13(b).
- (16) The fair value in respect of any shares must be determined as at the date on which, and time immediately before, the company adopted the resolution that gave rise to a shareholder's rights under this section.
- (17) If there are reasonable grounds to believe that compliance by a company with subsection (13)(b), or with a court order in terms of subsection (15)(c)(v)(bb), would result in the company being unable to pay its debts as they fall due and payable for the ensuing 12 months:
- a. the company may apply to a court for an order varying the company's obligations in terms of the relevant subsection; and
  - b. the court may make an order that:
    - i. is just and equitable, having regard to the financial circumstances of the company; and
    - ii. ensures that the person to whom the company owes money in terms of this section is paid at the earliest possible date compatible with the company satisfying its other financial obligations as they fall due and payable.
- (18) If the resolution that gave rise to a shareholder's rights under this section authorised the company to amalgamate or merge with one or more other companies, such that the company whose shares are the subject of a demand in terms of this section has ceased to exist, the obligations of that company under this section are obligations of the successor to that company resulting from the amalgamation or merger.
- (19) For greater certainty, the making of a demand, tendering of shares and payment by a company to a shareholder in terms of this section do not constitute a distribution by the company, or an acquisition of its shares by the company within the meaning of section 48, and therefore are not subject to:
- a. the provisions of that section; or
  - b. the application by the company of the solvency and liquidity test set out in section 4.
- (20) Except to the extent:
- a. expressly provided in this section; or
  - b. that the Panel rules otherwise in a particular case, a payment by a company to a shareholder in terms of this section does not obligate any person to make a comparable offer under section 125 to any other person.

## TAXATION

---

The summary set out in this **Annexure 7** is a general and non-exhaustive commentary on certain South African tax consequences of the Unbundling and is intended to be used only as a general guide and does not constitute legal or tax advice nor is it intended to constitute a complete analysis of the tax consequences of the Unbundling. AEEI and its advisers cannot be held responsible for the taxation consequences of the Unbundling, and therefore, it is recommended that in order for an AEEI Shareholder to obtain certainty on their tax position, they should consult an independent professional adviser immediately.

### 1.1 Certain South Africa tax considerations for AEEI and the AEEI Shareholders

The Unbundling will constitute a disposal by AEEI of all of the AYO Distribution Shares to the AEEI Shareholders. It is expected that the disposal should qualify as an “unbundling transaction” as contemplated in section 46 of the Income Tax Act, which, subject to the considerations set out below, allows for a tax neutral implementation of the Unbundling from an income tax, capital gains tax (“**CGT**”), dividends tax and securities transfer tax (“**STT**”) perspective for certain AEEI Shareholders. A more detailed explanation of the application of section 46 of the Income Tax Act and some important considerations for AEEI Shareholders are set out below:

### 1.2 Disposal of the AYO Distribution Shares

- 1.2.1 AEEI holds the AYO Distribution Shares as capital assets.
- 1.2.2 Subject to the application of section 46(7) of the Income Tax Act, the distribution of the AYO Distribution Shares by AEEI, in terms of the Unbundling, will be disregarded by AEEI in determining its taxable income or assessed loss in the tax year that the Unbundling takes place.
- 1.2.3 If AEEI distributes the AYO Distribution Shares to AEEI Shareholders who constitute “disqualified persons” as contemplated in section 46(7) of the Income Tax Act, the Unbundling may attract tax (CGT) in the following instance:
  - 1.2.3.1 where such AEEI Shareholder(s) holds in excess of 5% of the AEEI Shares; and
  - 1.2.3.2 the market value of the AYO Distribution Shares exceed the tax cost/expenditure thereof.

For this purpose, a “disqualified person” is defined to mean:

- 1.2.3.3 a person that is non-resident in South Africa;
  - 1.2.3.4 the government of the Republic in the national, provincial or local sphere, contemplated in section 10(1)(a) of the Income Tax Act;
  - 1.2.3.5 a public benefit organisation as defined and approved in terms of section 30 of the Income Tax Act;
  - 1.2.3.6 a recreational club as defined and approved in terms of section 30A of the Income Tax Act;
  - 1.2.3.7 a company or trust contemplated in section 37A of the Income Tax Act;
  - 1.2.3.8 a fund contemplated in section 10(1)(d)(i) of (ii) of the Income Tax Act; or
  - 1.2.3.9 a person contemplated in section 10(1)(c) or (t) of the Income Tax Act.
- 1.3 AEEI's expenditure in respect of the AYO Distribution Shares is as follows:  
an average cost per share of R0.46 per AYO Distribution Share.
- 1.4 Consequently, if:
- 1.4.1 an AEEI Shareholder holds in excess of 5% of the AEEI Shares and is considered a “disqualified person”; and

- 1.4.2 the market value of the AYO Distribution Shares, at the end of the day after the last day to trade, exceeds the expenditure set out in paragraph 1.3 above,  
then AEEI will realise a capital gain on the difference between the market value of the AYO Distribution Shares and such expenditure.

#### 1.5 **AEEI Shares held as trading stock**

- 1.5.1 Any AEEI Shareholder holding AEEI Shares as trading stock will be deemed to acquire the AYO Distribution Shares as trading stock.
- 1.5.2 The AEEI Shareholder must allocate a portion of the expenditure in respect of, and the market value of, the AEEI Shares to the AYO Distribution Shares and reduce the expenditure in respect of and the market value of the AEEI Shares.
- 1.5.3 The expenditure to be allocated to the AYO Distribution Shares will be determined by applying the ratio that the market value of AYO Distribution Shares as at the end of the day after the last day to trade, bears to the sum of the market value, at the end of that day, of the AEEI Shares and the AYO Distribution Shares.
- 1.5.4 This allocation of expenditure to the AYO Distribution Shares will reduce the expenditure of the AEEI Shares held, thus allocating the expenditure between the AEEI Shares and the AYO Distribution Shares.

#### 1.6 **AEEI Shares held as capital assets**

- 1.6.1 Any AEEI Shareholder holding AEEI Shares as capital assets will be deemed to acquire the AYO Distribution Shares as capital assets.
- 1.6.2 The AEEI Shareholder must allocate a portion of the expenditure in respect of and the market value of the AEEI Shares to the AYO Distribution Shares and reduce the expenditure in respect of, and the market value of, the AEEI Shares.
- 1.6.3 The expenditure to be allocated to the AYO Distribution Shares will be determined by applying the ratio that the market value of the AYO Distribution Shares as at the end of the day after the last day to trade, bears to the sum of the market value, at the end of that day, of the AEEI Shares and the AYO Distribution Shares.
- 1.6.4 The expenditure (and CGT valuation, where applicable) so allocated to the AYO Distribution Shares will reduce the expenditure (and CGT valuation, where applicable) of the AEEI Shares held, thus allocating this cost history between the AEEI Shares and the AYO Distribution Shares.
- 1.6.5 AEEI Shareholders will be deemed to have acquired the AYO Distribution Shares on the date on which the AEEI Shares were originally acquired.

#### 1.7 **Dividends tax and returns of capital**

In terms of sections 46(5) and 46(5A) of the Income Tax Act, the distribution of the AYO Distribution Shares must be disregarded in determining liability for dividends tax and must not be treated as a return of capital for the purposes of paragraph 76B of the Eighth Schedule to the Income Tax Act. To the extent that section 46(7) of the Income Tax Act (see paragraph 1.2 above) is applicable, the normal dividends tax rules will be applicable to determine if AEEI or the disqualified person will be subject to dividends tax. If AEEI is subject to dividends tax, the amount of the tax payable must also be added to the expenditure to be allocated as between the AEEI Shares and the AYO Distribution Share.

#### 1.8 **Securities transfer tax**

The distribution of the AYO Distribution Shares to all AEEI Shareholders will be exempt from the payment of any STT.

#### 1.9 **Cost apportionment announcement**

AEEI will advise the AEEI Shareholders, by way of an announcement to be released on SENS on or about Thursday, 27 July 2023, of the expenditure to be added to their AYO Distribution Shares. The allocated expenditure must be used in the determination of any profits or losses derived on any future disposals of the AYO Distribution Shares or AEEI Shares.

#### 1.10 **Disqualified person shareholder(s)**

The tax consequences outlined in paragraphs 1.1 and 1.2 above, may apply differently in respect of any AEEI Shareholder who is considered a “disqualified person” for purposes of section 46(7) of the Income Tax Act.

#### 1.11 **Non-resident shareholders**

Shareholders who are non-resident for tax purposes in South Africa are advised to consult their own professional tax adviser regarding the tax treatment of the Unbundling in their respective jurisdictions, having regard to the tax laws in their jurisdiction and any applicable tax treaties between South Africa and their country of residence.

#### 1.12 **Finalisation of the Unbundling may create a tax liability for AEEI Shareholders in certain jurisdictions or give rise to other unanticipated tax consequences**

Tax law and practice can be subject to differing interpretations and, in some jurisdictions, the tax authorities are entitled to exercise discretion in how the tax law should be applied in certain cases. Consequently, AEEI is not able to guarantee that the tax authorities in each jurisdiction in which AEEI Shareholders may be subject to tax will interpret or apply the relevant tax law and practice in a favourable way and this may give rise to adverse consequences.

## EXCHANGE CONTROL REGULATIONS

---

### 1. Summary

The summary set out in this **Annexure 8** is based on the laws in force and applied in practice as at the date of this Circular and is subject to changes to those laws and practices subsequent to such date.

- 1.1 The following summary does not constitute advice, is intended as a guide only and is not a comprehensive statement of the applicable exchange control regulations as read with the Currency and Exchanges Manual for Authorised Dealers ("**AD Manual**"). AEEI Shareholders who have any queries regarding exchange control related matters should contact their own professional advisers without delay. The AYO Distribution Shares are not freely transferable from the Common Monetary Area and must be dealt with in terms of the South African Exchange Control Regulations, 1961, as amended ("**Exchange Control Regulations**") as read with the AD Manual (together, the "**Excon Rules**").
- 1.2 The concept of "emigration" as recognised by the Financial Surveillance Department of the South African Reserve Bank ("**SARB**") is being phased out with effect from 1 March 2021 and is replaced by a verification process. Exchange Control Circular 6/2021 dated 26 February 2021 and Circular 8/2021 dated 21 May 2021 set out the changes in relation to emigrants and changes to the AD Manual with effect from 1 March 2021. Until 28 February 2021, the Excon Rules distinguished between residents, non-residents and emigrants. As of 1 March 2021, under the new framework, natural person residents and natural person emigrants are treated identically. To ensure a smooth transition from the old framework to the new framework, natural persons who applied to be emigrants under the old framework, by obtaining a MP336(b) form that was attested by an authorised dealer on or before 28 February 2021, will be dealt with in terms of the exchange control procedures relating to emigration for exchange control purposes prior to 1 March 2021 provided their emigration applications were approved on or before 28 February 2021. For the purposes of the Excon Rules:
  - a resident means any person, being a natural person or a legal entity, who has taken up permanent residence, is domiciled or registered in South Africa;
  - a non-resident is a person, being a natural person or a legal entity, whose normal place of residence, domicile or registration is outside the Common Monetary Area, consisting of South Africa, Namibia and the Kingdoms of Lesotho and eSwatini; and
  - an emigrant means a South African resident who has left South Africa to take up permanent residence or has been granted permanent residence in any country outside of the Common Monetary Area. For purposes of the Excon Rules, a South African resident will only be regarded as an emigrant if they placed their emigration on record with the SARB under the exchange control policy which applied up to 28 February 2021.
- 1.3 AEEI Shareholders who are uncertain as to whether they are residents or non-residents or South African non-tax residents (emigrants) for purposes of the Excon Rules, are advised to approach their relevant Authorised Dealer to request confirmation.

### 2. Emigrants from the Common Monetary Area

- 2.1 Any share certificates that may be issued by AYO in respect of the AYO Distribution Shares to emigrants from the Common Monetary Area will be endorsed "non-resident" in accordance with the Excon Rules.
- 2.2 Uncertificated AYO Distribution Shares will be credited directly to an AEEI Shareholder's emigrant share accounts at the CSDP or Broker controlling its remaining portfolios and an appropriate electronic entry will be made in the relevant register reflecting a "non-resident" endorsement. The CSDP or Broker will ensure that the emigrant adheres to the Excon Rules.

- 2.3 Any AYO Distribution Shares issued in certificated form and cash proceeds based on an emigrants' AYO Distribution Shares controlled in terms of the Excon Rules will be forwarded to the authorised dealer in foreign exchange controlling their remaining assets.

3. **Residents outside of the Common Monetary Area**

- 3.1 Any share certificates that may be issued by AYO in respect of the AYO Distribution Shares to non-residents of the Common Monetary Area will be endorsed "non-resident" in accordance with the Excon Rules.
- 3.2 Uncertificated AYO Distribution Shares will be credited directly to an AEEI Shareholder's non-resident share account at the CSDP or Broker controlling their portfolios and an appropriate electronic entry will be made in the relevant register reflecting a "non-resident" endorsement. The CSDP or Broker will ensure that the non-resident adheres to the Excon Rules.
- 3.3 Cash proceeds due to non-residents are freely transferable from South Africa, subject to being converted into a currency other than Rand or paid for the credit of a non-resident Rand account.

### NOTICE OF GENERAL MEETING

---

**The definitions and interpretations commencing on page 10 of the Circular to which this Notice of General Meeting is attached (i) apply, unless the context clearly indicates otherwise, *mutatis mutandis* to this Notice of General Meeting and to the resolutions set out herein; and (ii) are hereby incorporated into this Notice of General Meeting by reference thereto.**

**If you are in any doubt as to what action you should take in respect of the following resolutions, please consult your CSDP, Broker, banker, attorney, accountant or other professional advisor immediately.**

Notice is hereby given that a General Meeting of AEEI Shareholders will be held at 10:00 on Friday, 30 June 2023 to be conducted by and accessible to Shareholders, through electronic communication as envisaged in section 63(2)(a) of the Companies Act, the JSE and clause 21 of the MOI, in order to consider and, if deemed fit, approve with or without modification, the resolutions set out in this Notice of General Meeting.

The Board has determined that, in terms of section 59(1)(b) of the Companies Act, the record date for the purposes of determining which AEEI Shareholders are entitled to participate in and vote at the General Meeting is Friday, 23 June 2023. Accordingly, the last day to trade AEEI Shares in order to be recorded in the Company's securities register to be entitled to vote at the General Meeting will be Tuesday, 20 June 2023.

#### **Purpose**

The purpose of the General Meeting of AEEI Shareholders is to consider and, if deemed fit, to approve, with or without modification, the special and ordinary resolutions set out in this Notice of General Meeting.

As the distribution by AEEI of the AYO Distribution Shares to AEEI Shareholders as contemplated in special resolution number 1, will constitute a disposal of the greater part of AEEI's assets, the provisions of section 112 read with section 115 of the Companies Act require, *inter alia*, that such distribution be approved by AEEI Shareholders by way of a special resolution.

In terms of the Companies Act and the MOI, the adoption of special resolution number 1 will require the support of at least 75% of the voting rights exercised on the resolution.

#### **Ordinary Resolution Number 1 – Authority granted to Directors and Company Secretary**

**"Resolved as an ordinary resolution that,** any Director or the Company Secretary of AEEI be and is hereby individually authorised and empowered to do all such things, sign all such documents and take all such actions or procure the doing of all such things, the signature of all such documents and the taking of all such actions as may be necessary for or incidental to the implementation of the Unbundling and the special resolution passed at the General Meeting at which this resolution is considered."

In terms of the Companies Act and the MOI, the adoption of ordinary resolution number 1 will require the support of more than 50% of the voting rights exercised on the resolution.

Such Participants who wish to have their vote(s) counted prior to the commencement of the General Meeting, must act in accordance with the voting instructions contained in this Notice of the General Meeting, i.e. to the extent applicable:

A Qualifying Shareholder may, within 20 Business Days after receiving the Company's aforementioned notice of the adoption of Special Resolution Number 1, demand that the Company pay the Qualifying Shareholder the fair value for all of the Shares of the Company held by that person if:

- the Qualifying Shareholder has sent the Company a written notice of objection;
